Dying and the Christian response.**

H+S is a perfect place to give a Christian view on some of the moral issues that are attacking our society. One of these that seems to be almost always in the news is Assisted Dying. Peter is going to come to talk to us about the current and growing public opinion in favour, to show the dangers, and then – and most important – to give a Christian response.

Wreath Making Event

East Horsley Village Hall

Invite your friends along to a special Christmas social where we will be shown how to make a seasonal wreath by an expert, enjoy a glass of mulled wine or tea/coffee and spend time together. This is intentionally an outreach evening to invite friends and family along to. There will be a short Christmas message and plenty of time to chat and socialise. Tickets will be on sale to purchase (to cover materials) and we want to encourage you to buy one for a friend!
