

## Online Parental Consent Form 2020

**Details of Activities:** Reclaim Online Meetings

**Name of Leader:** Edd Cope and CYM Team

In this strange time, we at St Mary's West Horsley are still wanting to support and encourage the young people of Reclaim via online communications. However, we want to make sure that it's all properly safeguarded. Therefore, involvement can only take place when consent has been given by a parent/guardian. For our meetings we will be using the programme Zoom – <http://zoom.us>. The video won't be recorded but notes where necessary will be taken.

We ask for a parent/guardian to be in the home when the call takes place. The date and time will be arranged via emails with parents/guardians. A link with a protected password will be sent via email to access the zoom meeting. The meetings will be arranged for agreed times which will be outlined in the emails we send to you as parents.

If your young person discloses anything where we have a concern for their health and safety, another person's health and safety or they are breaking the law, we will contact a parent/guardian (unless the disclosure involves you), and call social services if required. If you or your young person has any safeguarding concerns, please contact our Safeguarding officer – Sue Huntington ([safeguarding@stmaryswesthorsley.co.uk](mailto:safeguarding@stmaryswesthorsley.co.uk)).

### **Declaration and Consent**

I give consent for my young person ..... to take part in online Reclaim meetings in 2020 and all the activities involved. My young person and I acknowledge the need for responsible behaviour and obedience on their part.

### **Photography**

We would like to be able to take photographs and videos of the young people in their activities. These may be used to promote the groups, advertise events or even for fun and artistic youth projects. **(All photos and videos are stored on a church computer and not available for public access. However, some may be used on our website, social media, in news articles and advertising)** As a young person aged 13 and above, you can choose to give your photo and video permission. If you as the young person would not like to be photographed or videoed or you as the guardian would not like them be photographed or videoed, please type "no" here: .....

Signed (Guardian): ..... Date: .....

Signed (Young Person): ..... Date: .....
