Please send me more information about activities for children and youth at St Mary's church

(please tick box if 'yes')

We would like to be able to take photographs and videos of the children in their activities. These may be used to promote the group, advertise future events or even for fun and artistic projects. (All photos and videos are stored on a computer and not available for public access. However, some may be used on our website, in our Facebook group, in news articles and advertising). If you would not like your child to be photographed or videoed please put 'X' here.
