

Parental Consent Form 2021/22

Details of Activities: Construction Zone Meetings & Socials (In Person & Online)

Name of Leader: Edd Cope and CYM Team

We at St Mary's West Horsley want to continue to support & encourage the Construction Zone children through all that we do through our regular meetings & socials, whether in person or online. However, we want to make sure that it's all properly safeguarded. Therefore, involvement in socials & online meetings can only take place when consent has been given by a parent/guardian.

Declaration and Consent

I give consent for my child to take part in Construction Zone meetings in 2021/22 whether in person or online and all the activities & socials involved. My child and I acknowledge the need for responsible behaviour and obedience on their part.

In the event of illness, having parental responsibility for the above-named child, I give permission for medical treatment to be administered where considered necessary by a nominated first aider or suitable qualified medical practitioners. If I cannot be contacted & my child should require emergency hospital treatment, I authorise a qualified medical practitioner to provide emergency treatment or medication. I also undertake to inform Edd Cope & CYM Team as soon as possible if there are any changes to my child's health, medication or needs or any changes to our address or phone numbers if different from what is currently on the CYM database.

Signed (Parent/Guardian): Date:

Online Meetings/Socials

When required to meet online we will do so via the platform Zoom (<http://zoom.us>). A password protected link to access this at the arranged time of the meeting/event in an email to you. While they're taking part we ask for a parent/guardian to be in the home. The video of these sessions isn't recorded but notes where necessary will be taken. If your child discloses anything where we have a concern for their health & safety, another person's health & safety or they're breaking the law, we'll contact a parent/guardian (unless the disclosure involves you) & call social services if required. If you or your child has any safeguarding concerns, please contact our Safeguarding officer – Sue Huntington (safeguarding@stmaryswesthorsley.co.uk).

Photography

We would like to be able to take photographs and videos of the children in their activities. These may be used to promote the groups, advertise events or even for fun & artistic Construction Zone projects. **(All photos and videos are stored on a church computer & not available for public access. However, some may be used on our website, social media, in news articles & advertising)**

If you as their parent/guardian would not like them to be photographed or videoed, please type "no" here:
