**Name of Leader:** Edd Cope and CYM Team

We at St Mary's West Horsley want to continue to support and encourage the young people of Reclaim through all that we do through our regular meetings & social events, whether in person or online. However, we want to make sure that it's all properly safeguarded. Therefore, involvement in socials & online meetings can only take place when consent has been given by a parent/guardian.

### Declaration and Consent

I give consent for my young person ..... to take part in Reclaim meetings in 2021/22 whether in person or online and all the activities & socials involved. My young person and I acknowledge the need for responsible behaviour and obedience on their part.

In the event of illness, having parental responsibility for the above name young person, I give permission for medical treatment to be administered where considered necessary by a nominated first aider or suitable qualified medical practitioners. If I cannot be contacted & my young person should require emergency hospital treatment, I authorise a qualified medical practitioner to provide emergency treatment or medication. I also undertake to inform Edd Cope & CYM Team as soon as possible if there are any changes to my young person's health, medication or needs or any changes to our address or phone numbers if different from what is currently on the CYM database.
